For Sale - Castiglione della Pescaia - on the hills with seaview - €460,000.00  
Bedrooms: 3

## Key features

- 2 bathrooms
- 3 bedrooms
- terrace

## Full description

For sale, portion of a four-family house, on a hillside surrounded by pine trees, and about 1km from the sea. The property is on two levels with the entrance leading to the double living room, kitchenette, and storage room. From the living area you enter the sleeping area going up a few steps where there are three bedrooms, two bathrooms, and a small backside courtyard. The house also has a large terrace, a technical room in the basement, and a portion of the forest below the property. Very good condition.
