Full description

Small condominium arranged over 4 floors situated between the sea and the main street, made up of 8 apartments. The apartments n. 7 (facing south-east) and n. 8 (facing south-west) consist of a large living room with table with chairs for 5 people, single sofa bed, access to the terrace with a gorgeous sea view. The kitchen is separated from the living room. It has a window and is equipped with fridge, gas oven, and a small service table. A convenient pantry in front of the kitchen provides all the space needed to store shopping supplies and various objects. There are 2 bedrooms: one double and the other with 2 single beds; the rooms have windows that look out on to the side of the building and are less noisy than those of the other apartments. The bathroom has no windows and is equipped with a stall shower. These 2 apartments are equipped with a heating boiler and can also be used during the winter months. They are furnished in a simple basic style but are all very spacious. Each apartment has a parking space in the common courtyard (for small cars), which leads directly to the pedestrian promenade.

Located: 20 meters from the sea, 30 meters from the shops and 300 meters from the village center.
