Full description

Apartment on the third and last floor (without elevator) of a condominium near the sea, completely renovated, and composed of a living room with kitchenette (no oven), double bedroom and en suite service with shower (without bidet), bedroom with two bunk beds, second bathroom with shower and has window, balcony and mosquito nets on all windows. Possibility to leave bikes and strollers in a condominium room in the basement. It is difficult to find an apartment with two bathrooms and this has all the characteristics to spend a peaceful holiday in a new house. The apartment also has air conditioning through a single unit in the corridor between the two bedrooms above the bathroom.

Distances: from the sea 200 meters, from shops 150 meters, from the center of town 600 meters.
